

**TOWN OF GENESEE  
JOINT TOWN BOARD AND PARK BOARD MINUTES  
MARCH 13, 2023  
5:30 PM**

Chairman Leair called the meeting to order at 5:30pm. Present were Town Board Chairman Leair, Supervisors Ross, Schmittinger, Houston and Morris joined via zoom. Also present were Park Board members Hettwer, Mickelberg, Heinzelmann, Gresser, and Rec Director Michaelis. Administrator Planner Herrmann, Public Works Superintendent Berg, and Deputy Clerk Treasurer Jolly were also present.

**Discussion/Action- Update on Bathrooms at Sunset Park**

Berg discussed the update on the proposal of the existing park shed being converted into bathrooms. Berg said that an architect came and took a look at the site and said that it would be too much reconstructing. It was then brought forward that maybe the bathrooms should be built as a new structure in a different location such as near the basketball courts. Leair asked Michaelis to look into what it would cost to bring electricity to that location for the bathrooms. Along with that Herrmann and Berg are looking into what it would cost for plumbing and what the minimum requirements of the structure would be.

**Discussion- Future of the Park Board**

Chairman Leair brought forward a proposal to possibly transition the Park Board into an Advisory Committee following the April annual meeting. Mickelberg stated that he felt it was a good idea and that he believes more things will get done and that there will be better communication.

Schmittinger made a motion to adjourn, seconded by Ross. The meeting was adjourned at 6:45pm.
