### **Secretary's Report:**

1. Review and act on Secretary's draft December 15, 2025 Minutes:
2. Vacancy of board member Jim McNelly's seat (appointed by Waukesha County). Future appointment of qualified individual to serve. Waukesha County (Alan Barrows, Land Resources Manager) leads the process for identifying the County Representatives to serve on Lake Districts and will help facilitate this process for making recommendation for the appointment to the County Executive and then to the County Board. Two avenues which are normally considered:
  1. Waukesha County Land Resources Manager, Alan Barrows, will discuss with the County Board Supervisor (Darlene Johnson) for our area (25<sup>th</sup> District) to see if she would be interested in or available to serve in this role.
  2. Alan Barrows will work with the Lake District to help identify an individual that is interested in serving in that capacity.
3. Controlled burn request emailed to Fire Chief Stein on 2/16/2026. Awaiting reply.
4. Maintain/retaining various SBWLMD records/documents per the Wisconsin Lakes Association. The State generally requires that Lake Management Districts retain records, particularly financial records, for at least 7 years.
