## **ANNUAL REPORT FOR TOWN OF GENESEE PLAN COMMISSION**

### **JANUARY 1 thru DECEMBER 31, 2025**

Serving on the Plan Commission in 2025 were: Brett Engelking, Bob Christiansen, Jennifer Buck and Michael Toole from January through December. Joe Turzynski served on Plan Commission until April of 2025. Becky Fedak served on Plan Commission from July until December. Town Board Supervisor Rick Braun was the representative on the Plan Commission from January through March 2025. Town Board Supervisor James Morris was the representative on the Plan Commission from April through December 2025. Sharon Leair served as Chairman until March of 2025. Terry Tesch served as Chairman from April until December. The Town Planner/Administrator, Jeffrey Herrmann, was present for meetings until April. Planner Lyons was present for meetings from April until December. Rachel Workman was Plan Commission Secretary from January-December 2025.

The Genesee Plan Commission met 10 times in the year 2025

There were four (4) Public Hearings.

There were zero (0) applications for a Hobby Kennel during 2025

Seventeen (17) Site Plans/Plan of Operations were applied for in 2025 and all seventeen (17) were approved.

Two (2) Conditional Use was applied for in 2025. One (1) Conditional Uses was approved

There were four (4) Certified Survey Maps applied for in 2025. Four (4) were approved There was one (1) land transfer approved in 2025.

There was one (1) rezone that were approved and one (1) Zoning code amendment in 2025

There were three (3) conceptual land divisions reviewed. One (1) resident was approved for number of accessory buildings and seven (7) structures in excess of 1,600 square feet in 2025.

There were two (2) waivers approved in 2025

There was one (1) special event consisting of three (3) days approved in 2025

There were zero (0) land altering activity approved.

There were zero (0) subdivision developments approved in 2025

Fees: Zoning Permit Fees -\$17,475.00 for 2025

Other items which were reviewed during the year are recorded in the Town of Genesee Plan Commission minutes. All other records are kept in the Town of Genesee Offices at S43W31391 Hwy. 83, Genesee Depot, WI 53127 and are available for review during regular office hours.

Respectfully Submitted,

Rachel Workman

Deputy Clerk

**GENESEE RECREATION  
2025**

The Town of Genesee had eight adult softball teams and two little league baseball teams. The amount of teams is pretty much the same as previous years. The town baseball fields were used almost every night. We also kept the soccer fields busy with twelve teams. Once school was let out for the summer, we had excellent attendance every day at both parks.

To help defray upkeep costs, we rented the fields out on the open dates. The teams that rented fields were Waukesha Firebirds, Catholic Memorial Jr Crusaders, Waukesha Blazers, KM Junior Lasers, Waukesha Bulldogs, Bats Academy, Black Widow, Wales/Genesee Lions Club and Velocity. Field rentals for baseball fields were \$36,925, We collected park reservation fees of \$6,580. We also collected baseball and soccer registrations in the amount of \$11,537.

As always I would like to thank the Town Board and Park Committee for all their cooperation in keeping all the playing fields in excellent condition. I would also like to thank all the coaches, referees, umpires, volunteers, Genesee Rebels Baseball Team, the Wales/Genesee Lions Club, the Genesee Athletic Association and the ground crews for all their help.

Respectfully,  
Dennis Michaelis

## Annual Department of Public Works Reporting 2025

Submitted by Jeff Gryzkewicz

### January:

Plowing & ice removal occurred throughout the month. At this point the Town was still partially subcontracted with Wolf Paving. Our department serviced 3 routes and our contractor serviced 2 routes, Town Hall, and Wales/Genesee fire station. Additionally Brine applications were also applied to the road system. At this point brine was still relatively new to the department and trial runs were being performed to understand how long routes would take and consumption of product based off different treat rates.

Brushing of roadsides occurred on the following roads

- Boettcher Rd
- Bethesda Cir
- Brandybrook Rd
- Town Road DT

Preliminary planning & actions on parks for 2025 were placed and are as follows

- Second Wide Area mower added to fleet
- Seasonal Adds for part time employees drafted

Repairs were made to the following equipment

- # 34 Rear main engine seal replaced & hydraulic pumped shaft repaired
- # 81 Salt Spinner Replaced

**February:**

2 storms totaling 6 inches per storm & several small accumulations only requiring salt applications in February. Continued trials of brine applications showing positive results for specific temperatures.

Spring preparations took place for all mowing and parks equipment as well. One mower was found to have a failed engine head and required replacement.

Extensive brushing started on Highview rd. adjacent to Town Park. Plans to completely remove buckthorn and overgrowth will give way to seeding of prairie grass and wild flowers.

MS4 was submitted to SEH & and a 5-year rough draft budget was submitted to the administrator for review.

**March:**

Continued Brushing and clearing on Highview Rd Approx 1290 ft of Right of Way was cleared and completed. This consumed a majority of time in the latter part of the month.

Efforts were made to the soccer fields to kick off the spring season and include the following.

- Fields were lined & painted for April practices.
- Installed new nets to the majority of soccer goals as well.
- Sanded and painted 6 goals & replaced all netting tie downs.
- Installed bleacher pads to ease moving bleachers for mowing crews.

**April:**

Continued work on Highview Rd. Stumps from downed trees were stump grinded below grade & entire area was Harley raked to achieve smooth grades and aeration to ground for planting. To establish vegetation again the department planted wild grass, Kentucky Blue, and wild flowers.

Construction restorations to area around new Pavilion at Sunset- park were completed in Mid-April. Crews regraded site and spread approx. 60 additional yards of topsoil followed by seeding and straw netting.

1 of 5 fertilizer applications were also applied to parks, Town Hall, Nature Center, and Out lot on Hwy 83 by use of Gator and granular spreader. Crews also were crossed trained on baseball

preparations by part time staffing. Crews also started mowing of all town properties in late April as well.

Crews also worked on the Right Of Way to removed downed trees by request of residents in specific areas.

Two members of the department also attended the Towns association meeting and received training on many aspects of road maintenance and Right Of Way weed control

### **May:**

In May the department started work on our Roadway system with regards to patching and additional pot hole repairs from the winter snow plowing season. In May DPW consumed 16 ton of asphalt for patches on the following roads

- Depot Rd
- Onisch Dr
- Roanoke Dr
- Jenna Ln

Ditch restorations were also made on the following roads

- Brookhill Road (water flow) request by resident
- Hillside Road (water flow) request by resident
- Point Dr (Beaver's blocking flow)
- Preserve Ct. (Washout of seeded area from previous growing season.)

Brushing back of intersections & overhang tree work in the following areas

- Snowdon & Boettcher Rd
- Boettcher Bike Trail Crossing
- Valley View Rd

Along with brushing and overhang work the department received 3 calls for downed trees on off hours.

### **June:**

Additional asphalt repairs totaling 19 tons on the following roads in June

- Brookhill Rd x3 locations

- Cambrian Ridge

Brushing back of intersections on the following roads

- Park East & West
- Boettcher Rd by curves
- Valley View Rd by curves
- Rockwood Rd & Saylesville Rd
- Woods Rd Saylesville Rd
- Brookhill & Stonegate

Crews also responded to 2 after hours calls for downed trees

Two baseball tournaments were held at our park systems in June as well. One on the weekend of June 14<sup>th</sup> and the other on the weekend of June 28<sup>th</sup>. Crews did an outstanding job in keeping up with demand of change outs and maintaining the parks while under this influx of visitors.

Fertilizer application 2 of 5 was applied to parks, Town Hall, and nature center

Oil leaks on plow trucks were repaired and garage door maintenance was performed on our salt shed as well in June.

## **July:**

Crews consumed 36 ton of asphalt on the following roads

- Brookhill Rd x 2
- Snowdon Rd x 2
- Squire Rd & Depot
- Bennett Ct
- Bethesda Cir x 2

Culvert repairs were made to Holiday Rd to prepare for road reconstruction on Saylesville as 50% of the culvert was deteriorated and not draining properly.

Ditch repairs made to W297S3202 Boettcher Rd as ditch line was washing out due to compromised ground. Area was regraded and rip raft was installed to better keep rigidity of ditch.

Fertilizer 3 of 5 was applied to parks, town hall, and nature center.

Brushing on the following roads

- Sleepy Hollow Ct
- Oaklawn Dr
- Woodland Wonderland Ct
- Morris Rd on Curves
- Grush Rd
- Boettcher road (approach to sunset dr)
- Holiday rd in selective areas

Repairs made to truck # 34 as Brakes needed to be replaced along with front steer tires. Units 50 & 51 were also outfitted with decaling and reflective tape.

**August:**

Crew consumed 16 ton of asphalt on the following roads

- Harvest View
- Carmarthen Ct

Culvert repairs made to the following

- High Meadow (regraded and jetted)
- Forest Hills Dr (regraded and jetted)
- Holiday Rd & Fryatt Ct. (Rotted out Culvert complete replacement and asphalt)

Brushing on Highview road & point drive totaling over 5000ft of right of way as vegetation was encroaching roads. Crews also cutback tree lines at both parks to help reduce low branches on park property lines. Storms in the month of August also had the department respond to the following roads for downed limbs and trees.

- Hillside Rd
- Dable Rd
- Morris Rd
- Boettcher Rd
- Grush Rd
- Highview Rd x2
- Holiday

Parks playground areas received spray treatments to support weed control and to make preparations to upcoming woodchip resurfacing. Also, Sunset Park pavilions received netting to help reduce bird nesting in overhang areas. Crews also washed and serviced mower blades on fleet.

Repairs were made to following units

- #33 front axle hub seal failure & front brakes
- #81 Replacement of front headlamps to LED.

## **September:**

Brushing of right of ways were completed on the following roads

- Jarmon Rd
- Town Road GG
- Town Road GE
- Grouse Ct & Pheasant Run
- Partridge Ct & Pheasant Run
- Quail Run & Pheasant Run
- Ditched Mowed entire Bird Section

Tree work took place on Brookhill road as a result of high winds. Material was removed along with some damaged trees on Stone Gate Dr.

Road & Ditch repairs

- Additional pot hole repairs as needed
- Point Dr repairs as a result of flood damage
- Katherine Ct shoulder extension due to run off issues
- Preserve Ct rip raft installation due to water run off issues

Parks received additional woodchips to both Town Park & Sunset Park. 50 yards per park were delivered and spread throughout playground areas.

Town Hall had some spot specific areas of the sidewalks repaired, as heaved areas were giving the walkway an uneven surface and causing potential fall hazards

Salt delivery was accepted in September as well. Crews off loaded approx. 600 tons of material (30) truck loads of salt. Preparations to snow equipment i.e. plows and hydraulic systems were inspected and repairs were made as needed.

### **October:**

Main focus in October was large overhang trees on Holiday Rd, Road GE, and Highview Rd. The department made the investment in a bucket truck rental to help reach areas that were not possible due to height restrictions. This rental continued into November as well.

Ditch restorations to Old Village Rd as a result of silt and improper drain tile installed by residents. Drain tile was removed and ditches were regraded to improve water flow. Areas were then seeded and straw matted to establish vegetation.

Parks were winterized in late Oct, things such as garbage cans tables are stowed away in pavilions and all water lines are blown down. Sunset Park pavilion rental kitchens were also repainted top to bottom and received all new lighting fixtures.

Chipper grindings from processing timbers in the Right Of Ways were also removed in Oct. Approx 700 yards of grindings were hauled out.

### **November:**

Bucket truck rental ended in mid - November. Crews were able to work on the following additional roads clearing larger tree overhang.

- Holiday Rd (additional work from October)
- Morris Rd
- Townline Rd
- Boettcher Rd

Parks were final mowed in November. Mainly areas that require mulching of leaves. Final fertilizer application was also applied to parks, Hall, and Nature Center.

Snow removal on the following date totaling approx. 10-12 inches of accumulations

- Nov 29 x2
- Nov 30

This was the crews first official plowing event for the season and without the use of contractor.

**December:**

Tree work on Longacre Rd, Macallister Way, and Woodfern Dr. These areas were heavily shaded making salt less effective and also hitting our plowing equipment. Approx 2800ft of Right of Way was brushed back along with removal of deadfall and pines.

Timbers from Right of Ways stored at Sunset Park were burned to make way for following materials in 2026. These burns are done typically once per year and are controlled by staffing by means of front-end loader or mini excavator.

Equipment preventative maintenance was performed on all mowers for the upcoming summer season.

The department serviced the road system multiple times as it relates to snow in the month of Dec as well. Snow totals already in the month of Dec totaled 18inches (above average) vs. more recent seasons.

2025 Annual RSW Report

Town of Genesee

- The Town continues to excel at recycling. In 2025 the Town recycled 221.2 pounds per capita. The WI DNR recycling requirement is 108.2 pounds per capita per year.
- 797.33 tons of Recyclables in 2025.
- 2646.50 tons of Garbage in 2025.
- 2.16 tons of Electronics

**LAKE COUNTRY FIRE & RESCUE**  
**MEMORANDUM**

---

---

**DATE:** MARCH 16, 2026  
**TO:** TERRY TESCH, TOWN CHAIRMAN  
**FROM:** MATTHEW FENNIG, FIRE CHIEF  
**RE:** TOWN OF GENESEE 2025 REPORT

---

Lake Country Fire & Rescue (LCFR) is pleased to present the 2025 Annual Report to the residents of the Town of Genesee. We would like to begin by thanking Chairman Tesch, the Town Board, and the residents of the Town of Genesee for their continued support of Lake Country Fire & Rescue throughout 2025. Your partnership and commitment to public safety play an important role in ensuring that high-quality fire and emergency medical services remain available to the community.

**Fire and Emergency Services Investment**

The Town of Genesee's investment in fire protection for 2025 totaled \$701,653, which provided residents with:

- Primary response coverage from a fully staffed fire station
- Secondary response coverage from an additional fully staffed fire station

Through regional consolidation and shared services, the Town receives expanded service coverage at a fraction of the cost required to operate a single independent department. As LCFR continues to implement its long-term staffing plan, Town residents will eventually receive primary coverage from three fully staffed fire stations, further enhancing response reliability while maintaining cost efficiency.

**Operational Highlights – 2025**

**Staffing Enhancements**

- Three full-time Firefighter/Paramedics were hired in September 2025, bringing LCFR's total full-time staffing to 42 employees, including administrative personnel.

The addition of these positions significantly improved system reliability. Station brownouts were greatly reduced in 2025 compared to 2024, with no brownouts occurring from August through December.

These staffing improvements help ensure that fire engines and ambulances remain in service and available for response when residents need them most.

### **Emergency Response Statistics**

During 2025, LCFR responded to 382 incidents within the Town of Genesee, including:

- 251 Emergency Medical Service (EMS) incidents
- 3 Building fires
- 4 Brush / wildland fires
- 5 Vehicle fires
- Additional responses included alarms, hazardous conditions, rescues, and other emergency service calls.

As seen across most communities nationwide, emergency medical calls continue to represent the majority of fire department responses, highlighting the critical role paramedics play in the public safety system.

### **Notable Incidents**

#### Life-Threatening Medical Emergencies

- January 20 – LCFR crews responded to a pulseless, non-breathing patient and successfully restored a heartbeat prior to transport.
- April 16 – Crews performed another successful resuscitation of a cardiac arrest patient within the Town.

#### Structure Fires

- April 7 – LCFR units responded to a structure fire in the Town of Genesee, requiring fire suppression operations and coordinated response from multiple crews.
- June 4 – Crews responded to another structure fire within the Town, demonstrating the continued need for rapid and well-staffed fire suppression resources.

#### Hazardous Conditions

- February 15 – LCFR responded to a natural gas leak at a large commercial building in the Town of Genesee. The incident required evacuation of the building and mitigation efforts by Wisconsin Energies.

#### Vehicle and Equipment Fires

- February 4 and February 8 – LCFR responded to two separate vehicle fires within the Town.
- May 17 – Crews responded to another vehicle fire, which was quickly extinguished before spreading.

#### Exterior Fire Threats

- May 9 – LCFR responded to a deck fire threatening a residence in the Town of Genesee. Crews were able to quickly control the fire and prevent it from extending into the home.

### **Looking Ahead**

Lake Country Fire & Rescue remains committed to providing professional, reliable fire and emergency medical services to the residents of the Town of Genesee. Through continued regional cooperation, training, and operational readiness, LCFR will remain prepared to respond to emergencies and protect the community.

We appreciate the continued partnership with the Town of Genesee Board and its residents and look forward to serving the community in the years ahead.

**TOWN OF GENESEE**  
**ANNUAL MEETING**  
**APRIL 15, 2025**  
**MINUTES**

Chairman Leair called the meeting to order at 5:00 p.m. Present were Chairman Leair. Clerk Treasurer Majeskie. Wendi Unger from Baker Tilly Accounting.

**The pledge was said.**

**Introduction of Town Officials**

In the audience were Town Board Supervisors Tesch (who will be taking over as Town Chairman), Morris, Braun, former Supervisors Schmittinger and Houston, Fire Chief Matt Fennig and resident Mary Rice.

**2024 Financial Report – Baker Tilly – Wendi Unger**

Unger went over the budget. She said the Town is doing good and is in good financial shape. Schmittinger asked if Unger had an opinion about debt-to-income ratio. Unger said we don't typically look at it from that standpoint.

**Reports – Plan Commission – Rachel Workman**

Recreation Department - Dennis Michaelis  
Public Works and Parks- Jeff Gryzkewicz Acting Supervisor  
Recycling Report – Jaleesa Jolly, Coordinator  
Building Inspector – Paul Launer, Lake Country Inspections  
Lake County Fire and Rescue – Chief Matt Fennig

Chairman Leair asked Matt Fennig from Lake County Fire and Rescue to speak about his report and answer any questions.

Fennig talked about the highlights of his report. He said the Town of Genesee made an investment in Fire and EMS protection of \$658,000.00, the Wales/Genesee Fire Station was staffed 24 hours every day. You are getting a 2.5 million dollars' worth of service. There were 385 incidents, 250 EMS calls, 3 building fires, 3 gas leaks, and a vehicle fire. Mary rice wanted to thank the Fire Department for helping when here husband passed away. Tesch asked if they were still hiring part time people. Fenning said Yes, they are when they can get them. Houston asked how many full-time people they have now. Fennig said they are up to 28 full time line staff and 7 admin staff.

**Approval of reports**

Morris made a motion to put the reports on file, seconded by Houston. The motion passed. No one against.

**Concerns or resolutions from electorate as authorized by law**

None

**Minutes to be approved –**

Annual Meeting of April 16, 2024

Houston made a motion to approve the minutes of the Annual meeting April 16, 2024,

seconded by Morris. The motion passed.

Budget Hearing and Town Meeting Minutes of November 11, 2024

Morris made a motion to approve the Budget hearing and Town Meeting Minutes of November 11, 2024, seconded by Braun. The motion passed.

**Set date for Budget Hearing and Town Meeting for November 10, 2025 at 6:00 p.m. and Annual Meeting for April 21, 2026 at 5:00 p.m.**

Braun made a motion to approve the dates for the budget hearing and town meeting, seconded by Houston. The motion passed.

**Adjournment**

Houston made a motion to adjourn, seconded by Braun. The motion passed. The meeting was adjourned at 5:28 p.m.

Respectfully submitted,

A handwritten signature in cursive script that reads "Meri Majeskie".

Meri Majeskie, WCMC  
Town Clerk Treasurer

**BUDGET HEARING AND  
SPECIAL TOWN MEETING  
NOVEMBER 11, 2025**

**BUDGET HEARING**

Chairman Tesch called the 2025 Budget Hearing to order at 6:00 p.m. Present were Chairman Tesch, Town Board Supervisors Morris, Ross, Braun and Gresser. Also Present were Administrator Herrmann, Clerk Treasurer Majeskie.

Tesch read the Budget Hearing notice. The levy shown on the proposed budget is \$1,563,320.00 with a total including the debt of \$3,389,329.00 to be placed on the tax bills. Herrmann went over the Budget. Chairman Tesch asked if there were any other comments or questions from anyone. There were none.

Tesch closed the Budget Hearing at 6:05 p.m.

**SPECIAL TOWN MEETING**

Chairman Tesch called the Special Town Meeting to order at 6:07p.m. Present were Town Board Supervisors Morris, Ross, Braun and Tesch. Also Present were Planner/Administrator Herrmann, Superintendent of Public Works Gryzkewicz and Clerk Treasurer Majeskie.

**Establish elected officials' salaries for terms of office to begin in April 2025**

Shaon Leair made motion to approve the following salaries of elected officials in 2024. Two (2) Supervisors with salaries of \$7,000 a year, and the Town Chairman with a salary of \$15,000.00 per year, seconded by Supervisor Morris. The motion passed unanimously.

**Adopt 2025 Town Tax Levy to be paid in 2026 pursuant to Sec. 60.10(1)(a) Wis Stats**

The total tax levy for the Town will be \$1,563,320.00 The debt is \$1,826,007.00 for a total of \$3,389,327.00. Supervisor Morris made motion to approve the tax levy, seconded by Supervisor Gresser. Chairman Tesch asked if there was any discussion from the table or the floor? There was none. The motion passed unanimously

**Tesch closed the meeting at 6:07 p.m.**

Respectfully submitted,

*Meri Majeskie*
